“ I believe Bobby was one of our counselors at Pfeifer Kiwanis Camp many years ago. He was such a good guy that everyone loved. We lost touch, but it sounds like he was blessed with a wonderful family!

“ Uncle Bobby become my uncle by marriage many years ago when he married my aunt Ella. That “by marriage “ phrase meant nothing to him as he treated me no different from blood family. He nicknamed me “itty bitty” as a kid and called me that still as an adult. He remained an uncle to me long after remarrying and I appreciate and love him for that.

“ As children, my siblings and cousins would come spend weekends with Aunt Ella & Uncle Bobby. We were loved, cared for, and had lots of fun! As an adult, we would occasionally talk. Great spirit and an awesome person. You're still and always will be Uncle Bobby. RIL, Shameka

“ I am sorry for the loss of Bobby. He was a member of the same Guard unit and he was a big inspiration to me. He was always a gentleman and willing to help others. He would always pray for people that needed prayer in our unit.
