“ Brandon. The past 2 years have been heard. We all miss you. But today I'm gonna try not to be upset because I know you would want us to celebrate you not dwell that your gone. I love you so much. And thanks for watching over me. I remember them times in class where you stubbed my toe in the door or the first middle school dance we went to with each other because we liked each other. Or when we held hands. I miss you. LLB forever❤️💙🕊️

*Brandon, I remember when I first met you at Aces. You were with Jordan and you had asked me for \$40 bc Ginger was taking you guys to Walmart. I knew from that exact moment we were destined to be friends. You never did pay me back but that's in the past and friends help friends! I still can't beleive that it's been 2 yrs since you have been up in heaven.. You have always been good to me and I always was good to you. I miss you Brandon! We had good laughs tg everytime we saw each other at Aces or out in town on the southside. LONG LIVE BRANDON DILLARD!!☐+❤️ = I love you Brandon, and I hope your flying high up in heaven watching over the people you loved the most and protected the most!*
