“ *My deepest condolences. I cannot express how shocked and saddened I was to hear of Cliff's departure. I remember when he was that 'cute little brown boy with green eyes', I guessed he was around 7 or 8 years old playing with sticks outside his momma's apartment next door to the office where I worked at the time. He said "Ms. Joyce I was a teenager". I told him 'well you looked like you were 7 or 8'. LOL Everyday Cliff would come by my office when he was at Baptist with me, and say "how you doing Ms. Joyce" and tell me something good about his oldest son the one who has the same smile and walk. I will miss you Cliff, especially watching Monday night football with you.*
