“ I am just heartbroken that I just found this out. He was such a caring a sweet natured young man with just the most beautiful almost child like soul. I will miss him so much and I will be forever grateful to have gotten to know him. He was always there when anyone needed someone and helped me and others when we needed him. I am devastated and my condolences to his family. My heart is completely broken. I never met anyone who was so caring and genuinely the sweetest person I think I've ever known. I will miss you more than I can express and will think of you often.

“ I won't forget being dropped off to spend the night at Aunt Shirl's house and being excited to drink sweet milk and play sonic on the Sega all night with my cousin Deldrin. Eric and Erica always had a prank for us up their sleeves and we would all laugh and have a good time. Deldrin taught me how to play the game and he would be Sonic the hedgehog and I would follow him around as the fox until I learned the game well enough to start beating him at it. We would be laughing and playing until Aunt Shirl came and told us, "Y'all go to bed!" We learned to be more quiet and shush each other when one got too loud so we could stay up all night playing. We didn't see each other as much when we grew older but we always hugged and were excited to see each other out in public. Eventhough I didn't get to be around Deldrin when we became adults, I will always cherish the childhood memories I have with him.

“ I met Deldrin years ago through his sister Erica. I could always count on a good laugh around Deldrin. He could definitely bring a smile to your face. I'm still in disbelief that you've been called home but there is peace in knowing you're resting with Our Heavenly Father. I Pray for this family that you can find some comfort in knowing that to be absent from the body is to be present with The Lord 🙏.....Jacquelyn Fleming

“ Delly, God really blessed me with the most loving little brother in the world. Although our time was cut short, I want you to know that I enjoyed every moment we've spent together growing up and through adulthood. I love you so much and I know that you love me. As I always have, I continue to think about you every day, and I miss hearing your voice say, "What's up NayNay!" I promise I will never forget you and I will never be the same. I have to except that your wings were ready but my heart was not.
Love always and forever your big sister ,NayNay

“ I just want to share with you all that When I met Deldrin I had currently went through 3 years of unfortunate events. Literally nothing but sorrow. Deldrin brought so much joy back into my life soon as I met him!! We would laugh so hard until our stomachs cramped all day making each other laugh. He accepted me for me along with my imperfections I accepted him the same although he was perfect in my sight 😊 I love you Deldrin so much and as I m typing this my thoughts are still, "(He Gon pop up on me here soon)" I'ma tryy hardest to manifest you back. BFFAAS 😭😭😭
