“ My deepest heartfelt condolences to the families, friends and associates.
My nephew for life. A meek and humble brother and friend. We have shared much and many down through the years as uncle and nephew but most importantly as friends that shared sincere talks and times together. A very beautiful soul, a great father, a tremendous brother to his siblings, a spectacular nephew to his aunts and a terrific friend to many. You will greatly be missed nephew.
This is a hard one for us all so we most definitely know just how difficult it is for the family. So please lets keep them lifted in prayer

“ *I grew up around the Williams and Stephenson family, I remember the day I told Dee that he was a big boy and I could beat him running, thinking of myself as a skinny little dude that I could easily win, to make the story short he beat me, then I got beat by Rofia the same day. It was fun growing up in Benefield Dr. He is someone that always made me be who I was. A true friend and apart of the family. ALBERT ROBERTS*
