“ I met miss baker one day about 15 years ago when we were going through the neighborhood giving out pamphlets and talking to different one in the church neighborhood and she decided to come to our church and she love it and she stayed until her passing. Miss Gloria Baker shared so many testimony of her life in church and Bible study, which she love to talk about the lord, family and prayer. And she wanted everything in order and done right or else you were in trouble. We will mist her laughter and her character and her love for her family, church and friends.
