Jo, girl I know you were tired and you were ready to let go. This is so hard for me right now. I can say so much about you but I just going to say this; Just knowing that you will no longer be here with us is why I am hurting right now. I am already missing your crazy self. The laughs we always have on the phone. I am so glad that we got to spend your 65th birthday with you. Now you really did fought a good fight. I use to tell you that you had nine lives. The Lord will always bring you back to us. Rest on Jody, we love you soooo much. Anna
