

## Karter Blake Smith

January 1, 2026 - February 26, 2026

Karter Blake Smith was born on January 1, 2026 to Ms. Kennedy Brown and Mr. Jermaine Smith at UAMS NLR. Karter departed this life on February 26, 2026 far sooner than we were prepared to say goodbye. His very presence gave our complete family a bundle of love and joy at first sight. He leaves behind his loving parents, and a host of grandparents, great-grandparents, uncles, aunts, and friends. He is gone but never forgotten. We love you forever, Karter.
