“ I am so sorry for your loss. I worked for State Farm until 2011 and looked forward to him coming into the office each month. He was friendly and a kind person and a hard worker, and we enjoyed his laughter. . He and my husband became acquainted when he came over to cut a tree we no longer wanted and Kenneth wanted the wood. Kind of a funny story... he and my husband were cutting the tree, and part of the tree fell down on his chainsaw. He just laughed and said he should've known better. He did love his family.

Sincerely,
Linda L Allison

Thank you Steven! I am my dad's only child and am now responsible for everything of his. He was my best friend. I moved 28 miles just to be closer to him. We talked everyday. If I can be half the man he was, I will be happy. Thank you for your well wishes!

“ We are shocked and saddened at the loss of such a great man. Not only did Kinsey work for us but he also became a good friend to us and our son. We had many good times talking to him and watching him throw baseballs with our son. He will be deeply missed. Our thoughts and prayers are with you Donna.
