“ I want to send this out on behalf of the LeClaire Community Library staff. We found out the tragic news of Lateshia's passing today with a return letter regarding overdue books, and we are truly saddened by this discovery. She was a lovely patron that would visit the library often, always uplifting the mood of all the staff.

One memory I have was when I first met her. I had mentioned how stressful our Summer Reading Kick-Off event was going to be because we were lacking volunteers. Without hesitation, she asked for the date and time. With her help, the event was a huge success for the hundreds of children kicking off their summer. From that day on, she was always happy to offer her help as one of our library volunteers.

All of our staff remember her fondly, and we wish the family our condolences. It is truly heartbreaking to know she will never walk through our doors again. However, we will always keep her in our hearts. Rest in peace Lateshia.
