Robinson who I had the pleasure of knowing at Greater Paradise

“ I’m sure everyone here has memories much like mine. They are good memories,. Grandma was that kind of person.The kind of love Grandma felt for us was a love without condition. She may not have approved of everything we did, may not have liked some of the decisions we made, but she didn’t lecture, she didn’t judge. She just kept loving us, letting us know that she was there and if we ever needed her, we could count on her to listen, to comfort, to help. It didn’t take much to make her happy—a phone call, a card, a visit or a a bag of fish. We were the most important people in the world to her. She lived to make our lives better and was proud of us.I love you Lillian Robinson.

“ Beverly,

*You and your family are in my thoughts and prayers. I see where you get your good looks from. Your mom was a very beautiful lady. She was always so nice when I spoke to her on the phone. May our "FATHER GOD" watch over this family at this sad time. Just know how happy she is to see her savior and all those dear loved ones that went on before her. I know you will miss your mother, but I will be here for you to lean on.*

*God bless this family.*
