“ Where do I begin, it for sure started in 1979. I remember specifically when you all moved to Arkansas. We had so much fun in band. The band dances and band trips. Hanging out at the Kennon's. Making mains through our downtown. The memories during those days will live with me forever. I'm truly sorry to hear this about Lynn. She was always very kind during those days when we were friends in high school. Thinking of you all.

“ My condolences to Mrs Crook, David , Stephen and the rest of her family! I haven't seen Lynn in years but she sent me a sweet message a couple years ago, out of the blue. I was going through a tough time even though she never knew.Her message stated how much she appreciated how nice I was through the years and the kindness I gave to others! That message touched my heart and she will never know how much that meant to me! Lynn was such a beautiful person inside and out! Rest in love Lynn!
