“ I can't unsee the fact that him and his baby cousin Houston look so much alike. I just know they would've been best-friends, hands down!! My fav memory of my baby cakes, is him being so in love with his mother. Every time I would watch his siblings, he NEVER wanted to come to me unless she was "outta sight, outta mind" LOL. I tried my hardest to bribe him and his twin, Max, with crackers and cookies hahaha...that still didn't work. :-) Have fun playing around with your grandma and don't fall jumping on the clouds!!

Hugs & Kisses forever!!!
