“ I know at times like this it is hard to see past the sorrow, but I hope that reflecting on the wonderful memories that you and Lil' Mason shared (that's what I always called him anyway...instead of Buck), will help you to see light again. My deepest sympathies for your loss. May "The Comforter" give you AND.....my family the Peace & Strength in this most difficult time of your lives. Cousin Jessie Mae

“ *Mason took me as his god mother shortly after his moving to the complex where I lived. For years I loved being his " Mom".I loved him unconditionally while he was here with me, but now he's with his mom in Heaven. Rest easy my son.*
