“ *I'm happy you are at peace mentally, physically and spiritually. I think of you often. Till we meet again, friend.*

“ *Many condolences and prayers for Sharon And family members at this time. Sharon and I were lifelong friends. We met in 1978 and throughout the years shared many adventures and fun and tears. We watched our kids have fun together. It is with deep regret she had to suffer so much with health issues at the end. Rest in peace girl. You stayed strong in your faith until the end.*

*Much love,  
Kathryn Denise McElroy.*

“ *I did not know Sharon well but had become friends with her on Facebook. She was a sweet and kind lady who had so many health problems and other things to deal with at the end of her life. I know she is home now in the loving care of her Lord and Savior, Jesus. Much love to you Sharon, from Karen Hirscheider.*

*It was so hard for Sharon in the end. With no family to comfort her, Sharon had built a family with her friends. She'd be so happy when she had visitors. Finally you can rest in peace, receiving the love of God.*
