

Tanisha Renee' Cotton

June 17, 1977 - March 28, 2020

With sincere regret, the staff of D.L. Boyd Funeral Home, LLC., wants to extend our deepest sympathy to the Cotton and Jones Families. Tanisha Renee Cotton's earthly temple is now resting in the care of D.L. Boyd Funeral Home. John 11:25-26 Jesus said unto her, I am the resurrection, and the life: he that believeth in me, though he were dead, yet shall he live: And whosoever liveth and believeth in me shall never die. May God bless and keep you in the days ahead as you gain strength from the memories of Tanisha Renee' Cotton. Feel free to sign the guest book, leave a comment, light a candle or purchase a floral arrangement for the family of Tanisha Renee' Cotton.

Tanisha Renee' Cotton, 42, was called home to our heavenly father on March 28, 2020. She was born on June 17, 1977 in Little Rock, Arkansas. She is preceded in death by her fathers, James Jones and Kenneth Cotton; her grandmother Ruby Cotton; her grandfathers Cecil Cotton and Tank Berry Jr.; and aunts and uncles who are resting as well.

She leaves to cherish her memory; mother, Rita Jones; step mother Rovanne Lovelace; her sisters, Shelly Cotton, Cozetta Jones, Kamille Hairston (Courtney) and LaTia Wright (Mark); her grandmother Pearlen Berry; nieces and nephews, Alexis Heard, Ty Robinson, Katlyn Watson, Nicholas Rose, Kylon Watson, Datwon Bonds, Mark Wright, Jr., and Karson Young; an

abundance of aunts, uncles and host of extended family and friends.

Tanisha was a graduate of J.A. Fair High School, Class of 1995 and attended UA-Little Rock.

Tanisha was an active member of St. Mark Baptist Church in Little Rock. While a member, she volunteered for the hospitality ministry and transported members to and from church service. Tanisha worked many wonderful jobs, Carlton & Bates was her primary employer for five years. She was also employed at Simmons Arena and the William J. Clinton Library and Museum.

She was a devoted daughter, sister, aunt, niece, cousin, a friend to many and a faithful servant. She had a very loving and kind spirit. If you had her as a friend, you were truly blessed. Tanisha may not have had biological children but she loved and cared for so many by going to basketball games, baseball/softball games, track & field and other activities—anything positive. She supported all of her babies.

Tanisha loved to organize family events big or small but traveling was her ultimate pastime. She would quickly hop in the car and take a road trip with family and friends. Tanisha would joke that she lived out of her suitcase. Her favorite cruise partner was her mother, Rita Jones. Tanisha believed in working, but also living her life to the fullest with no regrets.

During the public visitation, CDC recommendations and guidelines will be strictly enforced to ensure the safety and health of the Cotton and Jones Families, the community and our staff. We will be allowing only 5 visitors in the building at a time and social distancing must be practiced. After viewing the remains of, Ms. Cotton, we ask that you please not linger around but exit the building to give others a chance to view.

There will be a private service in honor of, Tanisha Cotton, Saturday, April 4, 2020 for IMMEDIATE FAMILY ONLY. ALL family members MUST have their admission ticket with their name printed on it along with the signed, COVID-19 Acknowledgement Form and ALL CDC recommendations and guidelines MUST be practiced; additionally, you must adhere to the safety practices the funeral home has established. NO EXCEPTIONS!

However, we understand that Tanisha had many other family and friends that would have loved to celebrate her life with her family, but due to CDC recommendations and guidelines regarding funeral services at this time, that's not possible. Therefore, the service will be live streamed on the funeral home Facebook page: D.L. Boyd Funeral Home, LLC, Saturday, April 4, 2020 from 11:00am until 12:00pm. Please tune in.

Tanisha will be missed by so many family, friends and all who knew her.

“ *I'm so sad to hear this. Tanisha was always so nice to everyone. I always loved seeing her at the arena or the library, and getting to chat for a bit. She always greeted me with a big hug and asked me how my family was doing every time I saw her. I will forever miss getting to see her when going to work.*

“ I had the distinct honor of being able to call Tanisha my friend for the pass several years. I met her through work at the Alltel Arena through Simmons Bank Arena. There isn't enough space or time right now to list all my wonderful memories of Tanisha but some that come to mind the quickest will be our work Christmas parties Tanisha would plan our parties and they would always turn out fantastic. No matter what she would get involved with it was always a success.

i will never forget her smile that would brighten the room! in addition, she was always so friendly i never heard her speak bad about anyone. The staff at the arena had her in the correct working area. She would be the first staff the public would encounter il can not think of a better person to do that.

On a more personal note Boo, that was our fun little nickname for each other, would never go without talking. She even followed me home one night to make sure i made it home ok. i am a wheelchair user. that is the type of Christian woman she is.

one thing for sure T lived life the right way. Her ability to travel and have so much fun with life is the way to enjoy it and she did i know it is hard to understand why God has taken an Angel from us so early but maybe He needs more Angels with him. Boo i will always miss and love you

May God Bless you,

If you wanted to take a friend out to eat and needed the name of a new restaurantcall Tanisha! Travel requirements, best time to cruise, what to pack, drinks to take, best deals call Tanisha! Finally she was our financial planner! Last year we did the penny challenge! Tanisha did not spend her pennies! She started the dollar challenge this year! She was going to combined the two! Yes, another cruise for 2021 was being financed! Every Sunday a text was sent to us w/amount to be deposited in your can, sock, or bank! Finally, she would bring me banana pudding made by Mrs Rita Jones!*

No matter what we faced with our business customers we always found a way to laugh about it at the end of the day. We use to talk about writing a comical book about the stories of business customer reps.
